Memo to File:

RE: Permitting Status
Interstate Brick Company
Koosharem Clay Mine
ACT/031/002
Piute County, Utah

On February 6, 1984, Mr. Ron Baldwin of Interstate Brick Company called the Division requesting information as to the permitting status of the Koosharem Mine operation. He also requested information regarding the filing of annual operation progress reports.

Mr. Baldwin was informed by D. Wayne Hedberg that the company should forward the completed progress report forms for the past two-three years that they have been operating. He was also informed that the Division has recently revised the annual operation progress report forms and we would forward new copies to Interstate Brick Company.

Mr. Hedberg committed to researching the file on the Koosharem Mine and to determine ultimate status and then return Mr. Baldwin's call.
